# Join the Steelworkers' fight for **RETIREMENT SECURITY FOR ALL**

USW Local 1005 and its 900 members and 9,000 pensioners are waging a battle on behalf of ALL of us. Foreign-owned companies, like U.S. Steel, are attempting to steal our futures by attacking our pensions while the Harper government is attempting to hand public pensions over to private banks. Winning this battle for Hamilton Steelworkers is the first step in a national campaign to defend retirement security for everyone.

Join the fight-back by attending the rally and spreading the word.
