

# Windsor Peace Monthly Discussion Series

Come participate in these discussions of  
**Human Rights, War, Peace and Canada's Future**

Wednesday October 5, 2011

**Windsor Workers' Action Centre  
328 Pelissier**

**7 PM**

## **The Harper Government's Role in the World Today**

*The discussion will address recent developments in international affairs, with emphasis on the role the Harper government is playing. Recent developments include: The extension of Canada's military mission in Libya, Canada's actions at the United Nations General Assembly and any other aspects related to the topic which participants would like to discuss.*

***Everyone is welcome.***
