

HEINOUS CRIMINAL ACT WILL NOT DETER PALESTINIAN RESISTANCE FROM ACHIEVING ITS AIMS

– Communist Party of Canada (Marxist-Leninist) –

July 31, 2024

Ismail Haniyeh

The Communist Party of Canada (Marxist-Leninist) condemns the assassination of Hamas political leader Ismail Haniyeh on Wednesday, July 31 as a criminal act of Zionist cowardice. This day will go down as one more day of Zionist infamy. CPC(M-L) also condemns to eternal shame the U.S., Britain and countries such as Canada that are putting their state power behind Israel's futile attempt to commit genocide of the Palestinian people and make sure Israel realizes its criminal aims.

CPC(M-L) expresses its deepest sympathies to all Hamas members, Ismail Haniyeh's remaining family and the entire Palestinian people and their heroic Resistance Movement. On the occasion of this great loss, CPC(M-L) reiterates its categorical support for the Palestinian Resistance and conviction that it will prevail over the heinous crimes of genocide the Israeli Zionists are carrying out with the full support of the United States, Britain, Canada and a handful of other mostly European countries.

Ismail Haniyeh devoted his life to the patriotic cause of his people, always upholding the unity of the Resistance under all conditions and circumstances. Today, in the face of the deadly Israeli genocide and this latest heinous cowardly act, we reiterate: We are all Palestinians, we stand as one humanity the world over to make sure justice will prevail.

CPC(M-L) calls on Canadians and Quebeckers to go all out to step up their expressions of support for the Palestinian Resistance and condemn Canada's appeasement of genocide. Take up the conviction of the Palestinian people as expressed

by Ismail Haniyeh's son, Abdul Salam Haniyeh, who, on hearing of his father's martyrdom, said of his father: "He was very keen to establish national unity and strived for the unity of all Palestinian factions and we affirm that this assassination will not deter the resistance, which will fight until freedom is achieved."

This is the profound conviction which imbues the resistance and its martyrs. It is the strongest response to attempts by the apologists of the Zionist criminals who are claiming that Israel has succeeded in expanding the war to involve Iran, Lebanon and other countries so as to draw the U.S. and its fellow partners in crime into achieving Israeli aims. It is the necessary response to defeat attempts to declare that because Haniyeh was conducting the ceasefire talks and prisoner exchange arrangements with great ability, and was instrumental in the talks for a national unity government, the Palestinian Resistance will not be able to overcome this set-back. It is the response required to shame the claims of the Zionists and apologists for Israeli Prime Minister Benjamin Netanyahu that, by carrying out this assassination in Tehran itself, the criminal Israeli intelligence organization Mossad has now vindicated itself for its intelligence failure on October 7, 2023 and now Israel will achieve its goal of wiping out Hamas. Celebrations in Israel of the assassination reveal the need to stick to the path of the Resistance which is what serves to condemn attempts to promote and join Zionist barbarism.

This is not the first time the Palestinian Resistance has defied the lies spread by the Zionists and their apologists and their heinous crimes and acts of cowardice.

We Are All Palestinians!

We Stand as One Humanity the World Over to Make Sure Justice Will Prevail!
